Major Speakers

Shen Huisheng Xie, DVM, PhD

Dr. Xie is a third generation TCM practitioner who was born and educated in China. He received his DVM at the Sichuan CVM in China 1983, his Master of Science in Veterinary Acupuncture in 1988 and his PhD from University of Florida (UF) in 1999. Currently he is the Director of Veterinary Acupuncture Internship Program at the Veterinary Medical Center of the UF.

Constance DiNatale, DVM, CVA

Dr. Constance DiNatale owns a holistic practice in Winter Park, Florida. She uses predominantly herbs, acupuncture, nutrition, and spinal manipulation to treat patients. She took the IVAS acupuncture course in 1989, and has studied and taught with Dr. Xie at Chi Institute since 1999. Her favorite things to do in her spare time are to spend time with her son, Valentine, and to teach and learn at the Chi Institute.
