

Evidence Based Veterinary Acupuncture On-line Class Registration Instruction

Course Information:

This is a RACE approved non-interactive online course that has been submitted for 27 hours of Continuing Education Credits. The course is offered to veterinarians only. The objectives of this course are:-to learn the scientific basis of acupuncture and the available clinical research on this topic;-to learn how to apply acupuncture in general practice for neurological, gastrointestinal, renal and respiratory disorders in small animals and horses and for lameness, laminitis and navicular diseases in horses;-to learn the principles of acupuncture in pain management and trigger points clinical application-to learn how to integrate acupuncture in a conventional practice, cookbook of points-to learn the indications and contraindications of acupuncture. The program consists of 27 hours of online streaming video lectures and the final quiz (post-test). The video lectures include screenshots of the slides, speakers' audio and video, class notes. Participants will be provided with an electronic copy of the proceedings, consisting of approximately 150 pages of reading material (a printed copy is available upon request for an additional fee). At the end of the program, participants must complete a 117 question multiple choice quiz. As per the RACE Standards, participants must pass the quiz with a score of 70% or better in order to receive their certificate of attendance. Attendance will be measured by the time spent watching lectures online which is recorded in our distance learning platform.

Prerequisites:

1. Licensed Veterinarian.
2. To all new students of Chi Institute, a **one-time non-refundable \$100 application fee** is required for application process and student file. The registration will not be processed without this fee.
